

The Young Greek Australian HERMES

Volume I Issue 3 07/03/2010

Welcome to the highly anticipated third issue of Hermes – our own publication for Young Greek Australians wanting to speak up and get their opinions out there. So now's the time for you to hear mine!

NUGAS is a great organisation where you'll meet some amazing (and slightly crazy) people! I've had the best time making friends all over the country, and I love knowing that you can go to almost any city in Australia and party it up with other Young Greek Australians. Currently, I am the NUGAS Queensland Administrative Coordinator and NUGAS National's Media Officer. Thanks to NUGAS, I get the opportunity to travel and connect with these great Young Greek Australians and listen and understand their concerns, issues and ideas. It's great knowing that these people want to get involved and assist in every different way.

With all the affiliated NUGAS states and its university clubs, NUGAS can do a lot for you. But you must ask; what can you do for NUGAS?

Maintaining this organisation is a big job but with help, it makes the task a lot easier. It makes me proud to be a part of an organisation that allows us to maintain our heritage as Greek Australians at a tertiary level, but we must ensure that the upcoming youth are given the chance to get involved and that they take it!

One last thing I want to finish with is a big thank you to all who have been involved with NUGAS over the years. Without your assistance, passion and determination, this organisation would not have been able to be the standing success it is now!

Yours in Hellenism,

Lex Georgiou
