

# The Young Greek Australian HERMES

*Volume I Issue 2 28/02/2010*

Welcome to the second issue of the one and only Young Greek Australian HERMES!-The fruit of dedicated Greek Australian students proud of their origins.

As the NUGAS Victoria Administrative Coordinator and recently appointed Education Officer, I have come a very long way in the past year or so from an enthusiastic Greek Australian Student to a leader in the young Greek community, organising Greek functions, attending remembrance days, meeting influential Greeks in the community and of course making those unbreakable bonds between fellow Greek Australians as Harry described perfectly in the earlier issue.

It is the following message I wish to instil within the reader - **GET INVOLVED NOW!** Once a year we get the opportunity to be in a committee and have a direct say in what we can do for

the Greek Youth in Australia, and that time is at the Annual General Meeting of our respective organisations. To get involved NOW, call the contact from your university (found on the back of this HERMES) and just ask!

Not only will you slap your forehead for not getting involved earlier but you will celebrate your youth as united Greek-Australian students, and also GROW together and function in a society where our values and morals are shaped by our Greek and Australian culture.

With that being said, I'll be sure to see you in Adelaide for the ball on the 17<sup>th</sup> of April (contact Mary Kousvos- 0424 380 901) or, without a doubt the prestigious NUGAS VICTORIA BALL- Sunday 26<sup>th</sup> September- where we not only celebrate our Greek-Australian culture but also the 40 Years of NUGAS.

With Passion, whatever you do

Kerry Matthews
